Poop.

The code is released on the Unlicense. The images are just placeholders!

Got poop?

This is text that can be replaced with other text that isn't poop.

Worship poop!

Just kidding. That's gross.

Don't eat it.

Just don't. Freak.

What people are saying...

Poop Ing Monkey

"I'm just so excited!"

Avery B. Poops

"You poop, I poop. That's why we need boilerplate websites."

Karen.

"Poop is gross and so is JoePro."
